BACKGROUND

A. The Chapter 11 Cases

3. On February 25, 2019 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in this Court. The Debtors are operating their businesses and managing their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. in these chapter 11 cases. The Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered.

4. The factual background regarding the Debtors, including their business operations, their capital and debt structure, and the events leading to the filing of the chapter 11 cases is set forth in the *Declaration of Tony Thomas, Chief Executive Officer and President of Windstream Holdings, Inc., (I) In Support of Debtors' Chapter 11 Petitions and First Day Motions and (II) Pursuant to Local Bankruptcy Rule 1007-2* [Docket No. 27].

20. To provide an orderly and meaningful summary of the services rendered by Applicant on behalf of the Committee during the Application Period, Applicant established, in accordance with the Guidelines and its internal billing procedures, separate task codes in connection with the chapter 11 cases. The following is a summary of the most significant

professional services rendered by Applicant during the Application Period organized in accordance with Applicant's internal system of task codes.

21. The summary is divided according to the project billing codes that Applicant created to best reflect the categories of tasks that it was required to perform in connection with these chapter 11 cases. Nevertheless, under the circumstances, and given the interconnectedness of the issues in these chapter 11 cases, certain of these categories may overlap with one another. For the avoidance of doubt, however, no work performed by Applicant has been included in more than one task code category.

22. This category includes time spent by Morrison & Foerster attorneys analyzing the nature of the Debtors' assets. This entailed a detailed review and analysis of the Debtors' current assets, as well as those assets that are the subject of the contractual relationship (the "**Uniti Arrangement**") between certain of the Debtors and Uniti Group, Inc. and its affiliates (collectively, "**Uniti**"). During the Application Period, Morrison & Foerster attorneys presented their findings to the Committee regarding potential unencumbered value based on the conclusions of this analysis.

In addition, Morrison & Foerster attorneys and paraprofessionals helped prepare and file the monthly fee statements, as well as the fee applications for the third interim period on behalf of Perella and Alix.

(h) Financing and Cash Collateral – 013.

Fees: \$12,203.50; Total Hours: 12.3

29. This category includes time spent by Morrison & Foerster on tasks relating to the Debtors' debtor-in-possession financing facility (the "**DIP Facility**") and the final order authorizing the Debtors to obtain debtor-in-possession financing [Docket No. 376] (the "**Final DIP Order**"). During the Application Period, Morrison & Foerster attorneys conducted diligence on the adequate protection provisions set forth in the Final DIP Order, and analyzed the amount of adequate protection payments that the Debtors have made during the course of these chapter 11 cases. Morrison & Foerster attorneys also conducted diligence regarding unencumbered cash, and the ability of the indenture trustees for the Debtors' unsecured notes to assert charging liens. In addition, Morrison & Foerster attorneys spent time reviewing and analyzing the terms of the *Debtors' Motion for an Order Amending the Final DIP Order* [Docket No. 2009].

(i) Other Litigation – 014.

Fees: \$520,909.50; Total Hours: 555.8

30. This category includes time spent by Morrison & Foerster in connection with various matters arising in *Windstream Holdings, Inc. et al. v. Uniti Group, Inc. et al.*, Adv. P. No. 19-8279 (the "**Uniti Litigation**") and in *Windstream Holdings, Inc., et al. v. Charter Communications, Inc., et al.*, Adv. P. No. 19-08246 (RDD) (the "**Charter Litigation**"). Morrison & Foerster spent time analyzing various pleadings arising in the Uniti Litigation and the Charter Litigation, as well as participating in discovery and analyzing various legal and strategic matters.

31. As the Committee's professionals were preparing for trial in the Uniti Litigation, on March 2, 2020, the Debtors notified the Committee that they had reached an agreement (the

“Uniti Settlement”) with Uniti, the First Lien Ad Hoc Group, and Elliott Investment Management LP and its affiliated funds, obviating the need to proceed with trial. The Uniti Settlement formed the basis for negotiations among the settling parties regarding the terms of the Debtors’ restructuring, which culminated in a plan support agreement, backstop commitment agreement (the “**Backstop Commitment**”), and the Plan (as defined below). In light of these developments, the Debtors filed the (a) *Debtors’ Motion for Entry of an Order Approving the Settlement Between the Debtors and Uniti Group Inc., Including (I) the Sale of Certain of the Debtors’ Assets Pursuant to Section 363(b) and (II) the Assumption of the Leases Pursuant to Section 365(a)* [Docket No. 1558]; and (b) *Debtors’ Motion for Entry of an Order Authorizing (I) the Debtors Entry into The Backstop Commitment Agreement and (II) Payment of Related Fees and Expenses* [Docket No. 1579].

32. During the Application Period, Morrison & Foerster attorneys spent time coordinating and negotiating with various parties in interest, as well as conducting diligence regarding the Uniti Settlement, the Backstop Commitment, and related documents. In the Committee’s view, both the Uniti Settlement and the Backstop Commitment included improper and onerous terms, rendering both impossible for the Committee to support. The Committee attempted to resolve its issues with the Debtors and parties to the Uniti Settlement and Backstop Commitment. The parties were unable to resolve their issues. Morrison & Foerster prepared, filed, and prosecuted the (a) *Objection of the Official Committee of Unsecured Creditors to Debtors’ Motion for Entry of an Order Approving the Settlement Between the Debtors and Uniti Group Inc., Including (I) the Sale of Certain of the Debtors’ Assets Pursuant to Section 363(b) and (II) the Assumption of the Leases Pursuant to Section 365(a)* [Docket No. 1740]; and (b) *Objection of the Official Committee of Unsecured Creditors to Debtors’ Motion for Entry of an Order Authorizing (I) the Debtors Entry into The Backstop Commitment Agreement and (II) Payment of Related Fees and Expenses* [Docket No. 1741].

33. Morrison & Foerster also coordinated with the Debtors' professionals and other parties in interest regarding the Committee's participation in the Charter Litigation. This included time spent participating in various discussions with interested parties regarding scheduling and litigation strategy. Relatedly, Morrison & Foerster prepared and filed *The Committee's Post-Trial Brief* [Charter Litigation Docket No. 318] during the Application period.

(j) Meetings and Communications with Creditors – 015.

Fees: \$258,112.00; Total Hours: 262.8

34. This category includes time spent by Morrison & Foerster relating to communications with creditors, including preparation for and participation on weekly conference calls with the Committee as a whole, as well as calls and correspondence with individual Committee members, and with Perella and Alix. Morrison & Foerster coordinated all of the Committee's activities, including preparing and distributing materials to facilitate Committee deliberations, raising individual Committee member concerns with the entire Committee, setting agendas for Committee conference calls and meetings, and leading those calls and meetings.

35. In order to ensure that Morrison & Foerster provided the most efficient and cost-effective services to the Committee, each weekly Committee call and meeting was typically attended by each member of the core Morrison & Foerster team working on this representation. Given the level of activity in these chapter 11 cases to date, these Committee meetings and calls required extensive preparation by Morrison & Foerster attorneys.

36. During Committee calls, Morrison & Foerster addressed key issues with the full Committee and its advisors. Prior to such meetings, Morrison & Foerster reviewed pending matters requiring the Committee's attention, analyzed any underlying documentation in connection therewith, and coordinated with Perella and Alix on providing advice to the Committee. Thereafter, Morrison & Foerster discussed pending matters and ongoing work

streams with the Committee and assisted the Committee in formulating a position with respect to each matter and work stream. In addition, during the Application Period, Morrison & Foerster provided Committee members with presentations and memoranda addressing pending motions and upcoming case matters, as well as email updates regarding the status of the chapter 11 cases and any important pleadings or issues that arose between Committee meetings or Committee calls.

(k) Plan and Disclosure Statement – 017.

Fees: \$729,169.00; Total Hours: 734.9

37. This category includes time spent by Morrison & Foerster in connection with the Debtors' plan [Docket No. 1812] (as amended, the "**Plan**") and related disclosure statement [Docket No. 1813] (as amended, the "**Disclosure Statement**"). Morrison & Foerster spent significant time reviewing and analyzing numerous proposed plan term sheets and each of the filed versions of the Debtors' Plan and Disclosure Statement, as well as all ancillary documents.

38. Additionally, Morrison & Foerster engaged in extensive discussions with the Debtors, parties in interest, and members of the Committee regarding potential plan structures that would be acceptable to all members of the Committee. In preparation for these discussions, Morrison & Foerster conducted substantial factual, financial, and legal analyses and participated in regular strategy sessions with the Committee's other professionals regarding economics and potential strategies for increasing recoveries for general unsecured creditors under the Plan.

39. Morrison & Foerster also spent significant time considering and addressing various concerns advanced by individual creditors. Morrison & Foerster provided comments to the Debtors' Plan and Disclosure Statement (including comments received from members of the Committee). Although many of the Committee's issues with the Disclosure Statement were eventually resolved, Morrison & Foerster prepared and filed the *Statement and Reservation of*

Rights of the Official Committee of Unsecured Creditors With Respect to Debtors' Motion to Approve (I) the Adequacy of Information in the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates with Respect Thereto [Docket No. 1633].

40. In consultation with Morrison & Foerster and the Committee's other professionals, the Committee ultimately determined to oppose the Plan. Accordingly, during the Application Period, Morrison & Foerster spent significant time preparing the *Objection of the Official Committee of Unsecured Creditors to Confirmation of the First Amended Joint Chapter 11 Plan of Reorganization of Windstream Holdings Inc., et al., Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 2159] (the "**Confirmation Objection**"). While preparing the Confirmation Objection, Morrison & Foerster attorneys engaged in extensive negotiations with the Debtors and various interested parties regarding the terms of the Plan. The parties were unable to resolve the Committee's issues with the Plan, and Morrison & Foerster prosecuted the Confirmation Objection.

41. Morrison & Foerster also spent time during the Application Period analyzing the terms of the *Debtors' Third Motion to Extend Debtors' Exclusive Periods to File a Chapter 11 Plan and Solicit Acceptances Thereof Pursuant to Section 1121 of the Bankruptcy Code*. [Docket No. 1628] (the "**Third Exclusivity Motion**"), as well as discussing the Third Exclusivity Motion with the Debtors' professionals and the advisors to the Debtors' other stakeholders. The proposed extension of the Debtors' exclusive period to file and solicit acceptances of a chapter 11 plan as proposed in the Third Exclusivity Motion was, in the Committee's view, unwarranted and thus impossible for the Committee to support. The Committee attempted to negotiate adjustments to the proposed extension with the Debtors' professionals and other stakeholders.

The parties were unable to resolve their issues. Morrison & Foerster prepared and filed the *Limited Objection of the Official Committee of Unsecured Creditors to Debtors' Third Motion to Extend Debtors' Exclusive Periods to File a Chapter 11 Plan and Solicit Acceptances Thereof Pursuant to Section 1121 of the Bankruptcy Code*.
